**Course Materials:**

- 1) Textbooks: Communicating in Chinese  
Ni Hao Level 2  
Integrated Chinese Level 1 Part 1
- 2) Workbook: Ni Hao Level 2 Workbook

\*Note: If there are not enough textbooks, students will be given handouts. You must bring the textbooks/handouts every day.

**Course Description:**

Students continue to develop cultural awareness and communication skills involving reading, writing, listening, and speaking. The emphasis is on comprehension and production of frequency, used language, including activities and measurements, basic geographic terminology, numbers beyond 100, professions and occupations, and transportation.

Structures commonly found in language will be studied in relation to situation presented. Emphasis will be given to Chinese syntactical structures that are different from English structures. Course time used to develop reading and writing skills will be increased. Students practice extensively in oral communications and write/type simple phrases, sentences, and messages.

Classroom activities are related to the real world and include developing and awareness of acceptable behavior in the Chinese Culture.
