Syllabus for KENNEDY MATH I
Mrs. Shatraw, Room T-12, amity-shatraw@sac-city.edu

GRADING SCALE
A...100-90%, B...89-80%, C...79-70%, D...69%-60%,
59% or below- No Credit “F” until standards are met under contract.

GRADING CATEGORIES
DAILY ASSIGNMENTS (30%) – Assignments will be completed using the assigned text, student workbooks and periodic handouts. Homework will be assigned daily. Homework should be completed and turned in the next school day. Unexcused late work will receive no credit. It is the student’s responsibility to check the accuracy of their work using answer keys in their textbook and provided in the classroom.

PROGRESS ASSESSMENTS (25%) – A test will be taken weekly. Each benchmark test is 5 questions. You must score 4 or better on each test 2 times to master that test. Only after this is done will you receive any points for individual tests. Tests are focused directly on the problems completed on the homework and discussed in class.

UNIT EXAMS (25%) – These assessments will focus on real world applications and performance on the standards of mathematical practice. The tests may be individual, pair or group tests. There will be no retakes of the common core assessments.

FINAL (20%) – A cumulative final will be given at the end of each semester and will make up 20% of your total grade. An End-of-Course Exam will be given at the end of the school year. Passing this test is a graduation requirement, as outlined by the Sacramento City Unified School District.

ATTENDENCE:
Attending class every day and being on time are critical. Students missing class miss out on notes, homework assignments and explanation of new material. Attendance will be taken daily and reported to the attendance office. Late work will only be accepted if the absence is excused. Punctuality will also be monitored. Tardiness will be handled according to school policy.

STUDENT PROGRESS: Student progress will be closely monitored. In addition to the school’s reporting process and Infinite Campus, I will be handing student grades out every week. I am excited to have the opportunity to help you learn at Kennedy High School. If you need extra help, I am available by appointment or on every 2nd & 4th Thursday after school until 4:00. Additional tutoring is available afterschool in the ASSETS program. Students are encouraged to attend extra tutoring if they are struggling with the course material. With hard work, respect and perseverance you will be successful in my class.

BACK TO SCHOOL NITE is on Thursday Sept 18th from 6:00-8:00 pm, all family members are encouraged to come and visit in room T-12!

Please return this page to Mrs. Shatraw – this is the first assignment your student has from me!

You may refer to the school website for the complete Syllabus.
I/We have read and understand the contents of the syllabus.

I/We are aware that failure of this course will result in the need for the student to retake the course in order to graduate high school.

I/We are aware that failing the End Of Course Exam (EOC) will also result in the student needing to retake the course, regardless of the accumulated grade prior to failing the EOC.
