Course Description

World history is a 10th grade graduation requirement that examines the critical events, trends, government, economics, religious, philosophical movements, and technological advances that effect the course of civilization from the rise of democratic states in the early 17th century to the present era.

Materials

The required textbook for the course will be *World History (Prentice Hall 2007)* which you will receive from the library. You are required to assume full responsibility for the text once the text is checked out to you. Other suggested class materials consist of a three-ring binder, subject dividers, blue and black pens, #2 pencils, markers, highlighters, and lined paper.

Expectations

Students are expected to conduct themselves in a respectful manner at all times, towards each other as well as their instructor. Students must be in class on time and prepared to participate on a regular basis. Students must give 100 percent in every task, assignment, project and exam. Students are expected to come to class with thoughtful questions, concerns, and/or comments.

Attendance Policy

Those with *excused absences* are allowed to makeup work without penalty. You will receive 1 day for each *excused absence* to make up the assignment/exam. Upon your return, consult with the instructor or a classmate to collect any missing work. Students are responsible for making up all class work, homework and exams. Students with *unexcused absences or off-campus suspensions* **cannot** makeup missed work.

Tardy Policy

The school tardy policy will be followed; this policy can be found in the student handbook. Please be in your assigned seat and ready to work when the tardy bell rings.
