HOMECOMING

HOCO '2024 is in the books and we haven't seen school spirit like this in years! A HUGE thank you to the ASB class and Mr. Inlay, for creating an entire week of excitement and fun!

Under the Friday night lights, Kennedy football gave it their all against a State ranked opponent, Destiny Christian Academy. The high energy and well-attended game included exciting performances by JFK Band, Cheer & Dance, as well as vibrantly decorated floats and the annual crowning of our HOCO royalty.

Closing out the week was Saturday's "There's no place like homecoming" dance, which drew a sold-out crowd of 500 students! It was a fun filled night of stunning attire, music, dancing and wonderful memories. Again, thank you to ASB for a spectacular evening, and to all of the staff and volunteers who helped to ensure that our students were safe and supervised.
