

HAPPY Thanksgiving

COUGARS

HOLIDAY MESSAGE

As Thanksgiving approaches, we would like to extend our sincere gratitude to the families, students, and staff who make our school a place of inspiration, growth, and success. On behalf of John F. Kennedy High School, we wish you a joyous and peaceful holiday season, and a restful Fall Break. Schools will remain closed from November 25-29.

Happy Thanksgiving!

FORESTRY CHALLENGE

We congratulate our JFK CA Forestry Challenge Teams on an amazing learning experience. These foresters spent four days demonstrating mastery of forestry skills and gained an understanding of ecological restoration and fire resiliency at Wells Preserve in the El Dorado National Forest.

SENIORS

Want to go on the Disneyland Trip but missed the deadline? Contact Ms. Stidger via email or visit room D1 for more information!

JFK FOOD FAIR

The JFK Food Fair - hosted by 26 clubs and programs - raised over \$4,000! Hundreds of students participated in this **FUN**draising event, last Wednesday, while enjoying a variety of delicious foods and drinks with friends.

INTERACT CLUB

JFK's Interact Club recently partnered with Sacramento Blue Star Moms to send packages with notes of encouragement to service members in the military who are far from home this holiday season. Kudos to all those involved in making this wonderful gesture happen.
