### HOW TO ACCUMULATE POINTS

- HOMEWORK, PROJECT, ETC. (30%) Assignments will be completed using the assigned text, workbook tear outs and handouts. Practice assignments should be completed daily and are **due as a packet each Friday**. Late homework will be accepted the next class period for 50% credit. It is the student's responsibility to check the accuracy of their work.
- FORMATIVE ASSESSMENTS (30%): Tests will cover about 2 weeks' worth of material. Tests will be given weekly up to 4 times. Your 2 best scores will be kept.
- KHAN ACADEMY ASSIGNMENTS (20%) You will be assigned work to be completed on computer (both in and out of class) through Khan academy. Each assignment objective requires 75% or higher mastery for any credit. You can recover missing points for 1 additional week, but it is your sole responsibility to notify the teacher of your new scores. Scores for your completed work will be given every 2 weeks.
- CLASS PARTICIPATION (5%): It is expected that while you are in class you are engaged in the lessons and activities and following the rules and procedures. Points will be deducted for inappropriate electronics usage, being off task, etc. See below for class rules, expectations and characteristics of successful students.
- FINAL (15%) A cumulative final will be given at the end of each semester and will make up 15% of your total grade.

### ATTENDANCE

- Attending class every day and being on time is critical. Students missing class miss out on notes, homework assignments and explanation of new material. Attendance will be taken daily and reported to the attendance office. Missed assignments will be accepted for full credit only if the absence is excused. Punctuality will also be monitored. Tardiness will be handled according to school policy.

### STUDENT PROGRESS:

- Student progress will be closely monitored. In addition to the school's reporting process and Infinite Campus online, I will post student grades in class every week.
