In the event we go back to "distance learning", all assignments will be turned in to google classroom. Late homework will be accepted the next class period for 50% credit. It is the student's responsibility to check the accuracy of their work. We will go over homework on a daily basis.
- ASSESSMENTS (70%): Tests will cover about 2 weeks' worth of material. Tests will be given weekly up to 4 times. Your 2 best scores will be kept. Quizzes may be given occasionally. A comprehensive final exam will be given at the end of each semester.

ATTENDANCE

- Attending class every day and being on time is critical. Students missing class miss out on notes, homework assignments and explanation of new material. Attendance will be taken daily and reported to the attendance office. Missed assignments will be accepted for full credit only if the absence is excused. Punctuality will also be monitored. Tardiness will be handled according to school policy.

STUDENT PROGRESS:
