*Students with consecutive tests on the same day may leave early from their first exam to eat lunch and attend the second exam on time. Please notify your first exam proctor.

**Students with afternoon exams beginning at 12:00pm must check in to their 4th period class and then go directly to the quad and eat their bag lunch before reporting to the test room at noon. Students with exams starting at 12:30 (Chinese, French and Physics) will stay in their 4th period class until 11:50. They will then report to the quad for lunch.
