

**Profesora Juárez, Español I 2023-24**

- ❑ **Course Objective:** Welcome to Español 2! You will learn an entire year of Spanish vocabulary and grammar. You will also learn cultural practices of communities where Spanish is spoken. Completing this course will help you to fulfill A-G requirements to enter university. Below I have outlined some key points of the class that I will describe more in detail as we progress through the year.
- ❑ **Material:** You will be provided with an ¡En Español 2! workbook and text to take home and **read daily** to support your learning. Each student will be responsible for keeping updated with daily in-class activities and workbook assignments. Every week students will be responsible for completing assignments in class, workbook pages at home, and studying for tests. Your assignments will include a combination of

 - B. Más Práctica workbook pages
 - C. Dialogue translations and reading comprehension
 - D. Etapa (section) tests
 - E. Language Project for each quarter (For Example: Slide Presentation, Movie Review, Song)
