

Students can ride SacRT FREE with RydeFreeRT

Youth in grades TK-12 can ride the entire SacRT transit network, including SacRT buses, light rail, and SmaRT Ride on-demand microtransit service for FREE!

How to Ride

- Due to distribution limitations resulting from COVID-19, students won't need a RydeFreeRT sticker to ride, simply show a student ID or a previous RydeFreeRT card.
- Youth who are experiencing homelessness or taking part in foster programs are also allowed to participate in the fare-free student/youth pass program, regardless of current residence or school address.
- For students and youth who need a replacement card, don't have a student ID, or not attending a participating school, visit SacRT's Customer Service and Sales Center located at 1225 R Street (adjacent to the 13th Street Light Rail Station) to pick up a RydeFreeRT card.
- As schools re-open, stickers and passes are available at most school locations.

How SacRT is Keeping Riders Safe

SacRT has implemented and/or increased best practices to create a safer transit environment:

- Masks or face coverings required on transit at ALL times
- Blocking off certain seats in buses and light rail trains to provide physical distancing
- Installed protective plexi-glass barriers on each bus by the driver's seat to reduce risk when paying fare
- Fogging and disinfecting buses, light rail trains, facilities and touch points

RydeFreeRT is available any day, any time, during regular SacRT service hours.
