*To ensure that every student has the opportunity to fulfill college eligibility requirements before the end of their junior year, SCUSD will be administering the SAT district-wide to all high school juniors this Spring, 2020. John F. Kennedy Juniors are scheduled to take the test on Wednesday, March 4, 2020. The SAT will be hosted by the school district at no cost to the students or their families. We encourage all of our junior students to take advantage of the opportunity to broaden their post-secondary options and prepare themselves for the future.*

You're taking the SAT at your school on: March 4, 2020

## Simple ways to get ready for the SAT

### 1 SIGN UP FOR FREE PRACTICE ON KHAN ACADEMY

The SAT<sup>®</sup> is the only college admission test that offers free, personalized practice to all students. Official SAT Practice on Khan Academy<sup>®</sup> offers you an individualized study plan that helps you focus on the areas you need to practice the most. It includes thousands of practice questions with instant feedback, video lessons, and eight full-length practice tests. Sign up at [satpractice.org](https://satpractice.org).

---

Research shows that students who spend 20 hours on Official SAT Practice gain an average of 115 points from the PSAT/NMSQT<sup>®</sup> to the SAT, nearly double that of students who didn't use it.

### 2 CREATE A COLLEGE BOARD ACCOUNT

You'll need a College Board account to view your SAT scores when they're ready. You can also use it to search for colleges and build a college list. If you don't have an account yet, set one up at [collegeboard.org/mysat](https://collegeboard.org/mysat).

### 3 DECIDE WHERE TO SEND YOUR SCORES

On test day, you'll be able to choose four colleges, universities, and/or scholarship programs to send your scores to for free. Make sure you're ready with your list. The SAT is accepted by all U.S. colleges. Learn more at [sat.org/send-scores](https://sat.org/send-scores).
