

2019-2020

1. COURSE NAME: TQR (Transition to Quantitative Reasoning)

2. TEACHER

Marie Duperron (aka Madame) Room C-214 916-395-5090 ext: 506214 marie-du-perron@scusd.edu

3. COURSE DESCRIPTION

Designed for seniors, this course provides opportunities to strengthen students' mathematics foundation, to develop a greater perspective of the underlying structures of mathematics, and to see how mathematical topics are connected. Quantitative reasoning skills needed for success in college-level courses or the workplace are developed utilizing real-life applications. Course will cover team building and problem solving, functions, systems of equations and financial mathematics.

Successful completion of this course fulfills the high school "G" elective of the A-G requirements.

4. ATTENDANCE

Attendance is crucial in this course as <u>all work will be done in class with very limited opportunities for make-up work</u>.
